STORYLINE CHURCH

A Collection of Statistics of what God did at Storyline Church this past year.

Year-End Report 2023

Dear Storyline Church Family,

This year has been such an incredible representation of embodying our mission to live in God's story by knowing Jesus and loving all people.

We have one sound at Storyline – the Gospel. In the following statistics, you will see how the Gospel is impacting thousands of people in and to the ends of the earth. This report is just a small representation of how kind and merciful God has been to us this year.

I want you to know we cannot do this without you. Through your radical generosity, tireless service, and commitment to Jesus we are seeing lives transformed. Thank you for partnering with us to make much of Jesus.

Let's keep going. Let's ask the Lord for more. Let's keep leveraging everything we have for the glory of King Jesus and his gospel in Arvada, up and down the Front Range, and to the ends of the earth.

Grace and peace,
-Pastor JT English

Thank you, Lord!

There is nothing we want to do more after reflecting on 2023 than worship. Thank God that he chose to move among us at Storyline Church and in each of our individual lives. In ministry, there are seasons of Spring and Summer and seasons of Winter and Fall. This year, we are taking a moment to show our gratitude that this is a season of Spring – new beginnings and unimaginable fruit. Each of these numbers are not the outcome of a good ministry-strategy, but of a God who is active and loving to his children and his church.
